Mary,

Please inform Judge Gunning that EPA will likely need another two weeks to obtain signatures by both Region 5's Division Director and Regional Administrator. Hopefully we can sign it sooner within that time period but two weeks will be a safer bet. Let the parties know if there are questions. Otherwise we will await Judge Gunning's recommendation given that the ADR period formally expires tomorrow.

Subject: EPA and Meleen

Hello Mary. I write to report on our progress toward resolution of this matter. Mr. Meleen has signed the CAFO and now it is making its way through the EPA signature hierarchy. Hopefully, we will have a fully executed document soon but defer to Mr. Chow on the anticipated timing of that. If you require further information, please let me know. Tim
